WATERLOO -- The April Fool's 5K that was to take place in George Wyth State Park is being moved from this Saturday to 9 a.m. Sunday due to the predicted high winds.

The event relies on pole tents and PA equipment that cannot sustain the predicted wind gusts of 45 mph, organizers said. The safety concerns combined with the fact there would be nothing in the way of music/announcements or even food available for the entrants led to the change to Sunday morning.

Advertised packet pick up times are the same and new registrations for those wanting to race on Sunday are being accepted. Interested individuals may check the Trekman Racing Facebook event page to post questions or get more information.
